

MEDIA ALERT

**Spectrum Awards \$25,000 Digital Education Grant to LA's BEST
Friday, April 27, 2018**

What: **Spectrum Digital Education Event** - LA's BEST After School Enrichment Program will receive \$25,000 as part of Spectrum's inaugural Digital Education Grant Program to help provide a safe and supervised after school education and recreation program for children in Los Angeles. The event will feature students from the Sunrise Elementary Robotics Club and Cahuenga Elementary's KidPress Club who will benefit from Spectrum's grant.

Who: State Assemblymember **Miguel Santiago**
Los Angeles City Council President **Herb Wesson**
Students from Cahuenga Elementary and Sunrise Elementary School
Representatives from Spectrum and LA's BEST

When: **Friday, April 27, 2018 – 10:00 a.m. – 11:00 a.m.**

Where: Los Angeles City Hall Rotunda
200 N Spring 3rd Floor
Los Angeles, CA 90012

Why: LA's BEST is one of the recipients of Spectrum's inaugural Digital Education Grant Program, a new philanthropic initiative designed to support nonprofit organizations that educate community members on the benefits of broadband and how to use it to improve their lives.

The LA's BEST Digital Learning Department offers a wide array of programs that help children learn to type, develop computer skills, create content and apply STEAM principles through activities like coding, robotics and digital media arts projects. The Spectrum Digital Education grant will help cover the costs of their KidPress and CyberPatriot programs.

RSVP: Media who want to attend are asked to RSVP to Pamela.Yu@charter.com or laura.beebe@lacity.org.
