Social Emotional Learning through Trauma Informed Practices

IMPACT

The benefits of LA's BEST participation include academic and social gains far beyond the elementary school years.

A **UCLA** study reported that elementary school children who attend LA's BEST were less likely to drop out and more likely to graduate high school.

LA's BEST Students are **30%** less likely to commit juvenile crime.

Our advocacy efforts have increased the state budget allocation for afterschool.

Empowering students to lead lives full of choices.
