

Programmatic Offerings

WHAT WE OFFER

Four Areas of Engagement

Academic

Students gaining knowledge in a variety of subject areas, including math, literacy, science, and more

Physical

Students developing wholesome eating habits and creating healthy physical fitness routines

Creative

Students developing abilities through activities where they can choose, create, explore new things, and express themselves

Social

Students developing skills used to build relationships and regulate emotions

HOW WE DO IT

Learning in Afterschool & Summer (LIAS) Principles

Learning that is
ACTIVE

Learning that is
COLLABORATIVE

Learning that is
MEANINGFUL

Learning that
SUPPORTS MASTERY

Learning that
EXPANDS HORIZONS

Arts

The Arts department provides access to quality music, dance, theater, and visual arts programming that supports positive social and emotional learning, helps students develop creative confidence, and instills a greater appreciation for the creativity of others.

BEST Fit

Through BEST Fit, students learn about healthy eating habits, making physical activity a daily part of their lives, and becoming advocates of these habits in their schools and homes. BEST Fit uses a variety of research-based nutrition, gardening and physical activity programs that are aligned with California Content Standards.

Digital Learning

From filmography to coding, the Digital Learning department fuses technology with creativity to build digital literacy, setting students up for personal growth and professional success.

Education

Stimulating minds and propelling students toward academic success, the Education department engages students in learning that inspires curiosity, exploration, and innovation.

Homegrown happens when students and staff create their own activities, clubs, and programs based on passions and interest.

City Wide Events

The City Wide Events department supports a wide variety of LA's BEST programming, training, and events that bring children, staff members, families, and communities together to learn, share in the excitement of LA's BEST, and make meaningful connections with one another.

WHAT STUDENTS EXPERIENCE

Quality Standards for Expanded Learning in California

Safe and supportive environment

Active and engaged learning

Skill building

Youth voice and leadership

Healthy choices and behaviors

Diversity, access and equity

Each programmatic department:

- Develops comprehensive program training
- Hosts regional weekday trainings
- Follows up with participating sites
- Monitors program implementation
- Adapts programs to meet evolving site and student need
